### 50 great things to do in America—Telegraph

The wide open spaces and sprawl really necessitate the need for a vehicle except in a few select cities. America is not seen within its cities on the bus route- experiencing America is about the wide open spaces, majestic mountains, and other natural wonders. You won't get to see the real America without a car. Sure, you can see NYC just fine, but the Empire State Building is nothing compared to the Grand Canyon or the view from Glacier Point in Yosemite.

### whats the best way to travel america?—Road Trips Message—

From the soaring skyscrapers of New York City to the dramatic mesas of Arizona, the United States of America is a place of staggering beauty and extraordinary diversity. Nothing prepares you for your first glimpse of Manhattan's iconic skyline, the yawning expanses of the Grand Canyon or the neon-lit excesses of Las Vegas, just some of the country's many highlights.

The truth is, that although travelers can find in South American countries everything from the jungle, ancient ruins, famous treks, glaciers, mountains, colonial towns to beaches when it comes to safety we are used to bundling up all those countries in one and considering South America as one large destination, which can be a mistake as those countries differ a lot not only when it comes to ...

### Is It Safe to Travel to South America in 2020?—LaidBack Trip

North America and South America began to develop a shared population of flora and fauna around 2.5 million years ago, when continental drift brought the two continents into contact via the Isthmus of Panama. Initially, the exchange of biota was roughly equal, with North American genera migrating into South America in about the same proportions as South American genera migrated into North America.

### Americas—Wikipedia

Getting Around in South America In general, the roads in South America (excepting much of Chile) are often in very poor condition. But there is an enormous network of bus lines, and if you have the time and patience, you can travel easily by bus from one country to another.

### Getting Around in South America | Frommer's

It ain't a limousine, but Greyhound (aka " The Dirty Dog ") is a cheap way to traverse America -- especially if you can score a 20 percent student discount or a friends and family price break (up to 50 percent off after you've bought one full-price ticket). At select stops, Greyhound will even store your luggage for 24 hours while you explore.
