The barely-dry words on paper were made holy making it no longer acceptable for a person to claim absolute or supreme power because of and/or FROM God. The words on paper were declared supreme over any and all humans, not for the first time in history, but arguably among the more important times. Lincoln might have said it best, " ... an oath registered in heaven... to preserve, protect, and defend the Constitution..." required of him if he wanted to serve.

Preserve, Protect and Defend: Global Nationalization Risk. The extent of governmental involvement in their national economies goes to the very heart of political and economic debates that have raged since time immemorial, and as such can seem to be an issue on which opinions are clearly and irrevocably set. However, the last few years of political upheaval has shown that those sands can, and do, shift.
