9780826108685: Transformative Learning in Nursing: A Guide ...

Transformative learning refers to those learning experiences that cause a shift in an individual's perspective. It is based on the idea that learning is "the process of making a new or revised interpretation of the meaning of an experience" (Mezirow, 1990). This happens when adult learners change their assumptions or expectations.

Transformative Learning: Another Perspective On Adult Learning

Transformative learning is a route to the development of critical thinking.
