According to the National Center for Transgender Equality's U.S. Transgender Survey, 27% of transgender people who'd had or applied for a job the year of the survey said they were fired, denied a promotion, or not hired for a job because of their gender identity or expression. Transgender people of color generally experience even higher rates of discrimination.

Practical Advice for Transgender and Nonbinary Folks ...

It is not possible to look around a room and "see" if there are any transgender people. (It would be like a person looking around the room to "see" if there are any gay people.) You should assume that there may be transgender people at any gathering or in any space.

GLAAD And Case Studies

The GMC has published Advice on Treating Transgender Patients which includes sections on prescribing “bridging prescriptions” and ongoing prescribing following the recommendation of a specialist. We are aware that there exist concerns that the guidance places further obligations on GPs with regard to prescribing and education which may have broader implications beyond the scope of transgender healthcare.

Wessex LMCs: Transgender Patients / Gender Reassignment

Celebrate LGBT History Month, Transgender Awareness Week and Transgender Day of Remembrance. In class. Do not use boy-girl seating. This increases stereotypes about gender and girls and boys, and it could cause distress for trans students and non-binary students.

Transgender People is an excellent introduction to the topic of transgender in the workplace. It delivers clarity with best practice advice, Case studies and FAQs. Essential for all staff - especially those in Management positions and those with responsibility for training, HR, equality and diversity matters.

Smashwords – About Des McCabe, author of 'Transgender ...

Overview. This publication offers practical advice on implementing HIV and STI programmes for transgender people, with a focus on transgender women, aligned with the 2011 Recommendations and the 2014 Key Populations

Get Free Transgender People Practical Advice

Consolidated Guidelines. It contains examples of good practice from around the world that may support efforts in planning programmes and services, and describes issues that should be considered and how to overcome challenges.

WHO | Implementing comprehensive HIV and STI programmes ...

Many doctors have and will have transgender persons as patients but few are well equipped to deal with the issues that arise. Current medical training does not produce doctors skilled in transgender health. There are specific risks associated with meeting the healthcare needs of transgender people and two areas where increased risk is clear are: 1.
