True North - The Shocking Truth about "Yours, Mine and ...  
Whether you're a fan, friend, pop culturist, sociologist, or fellow traveler, Tom North's True North: The Shocking Truth about "Yours, Mine and Ours," proves a convincing and compelling read. An autobiography describing North's recovery from the abusive, incestuous, malnourished and neglectful household of the celebrated Carmel family, the book also provides an absorbing look at baby-boomer childhood in a semi-rural, hippie-riddled community of suburban California.

true north: the shocking truth about yours, mine and ours

True North actually ends somewhat happily overall, with the family getting together for therapy and receiving a shocking apology. Tom's mother also confesses that she married Frank to save his kids from him, but didn't realize that she was throwing her own children into a horrible situation at the same time. Was Helen North just dense?

North was only six when his beloved father died. Dick North was only 30, and left behind a young widow, his seven children and an eighth on the way. Tom North's happy memories of his birth father are a shocking contrast to the life of violent outbursts and drinking he writes about in the Beardsley household.
