Whether you live in a 1795 Federal or a Mid-century Modern ranch, count yourself lucky if your house has its original doors. Despite real improvements in the styling and surface finishes of newly made doors, there's simply no comparison between a stock door and an original of a certain age—even when the old one has flaws or those inevitable character marks.

A short pair of Indian doors from the turn of the 19th and 20th centuries presented upon a custom Stand. This antique pair of doors each feature six vertically square panels, with sweetly carved flower motifs down the center where they meet as well as down each side. These door have nice old green paint, and lovely patina.
