Volvo Automatic Transmission Fluid: Proper Care and ...

How Often Should I Have the Transmission Inspected in my Volvo? Consult your owner's manual to find the interval Volvo recommends for inspecting your transmission fluid. For instance, in the 2016 Volvo XC60, the automatic transmission should be inspected every 50,000 miles according to factory recommendation. If the quality of the fluid is suboptimal, or some of the fluid has leaked out, your transmission will be drained, filled and any leaks sealed.
