The pace of the 9-week running plan has been tried and tested by 10s of thousands of new runners. You can, however, repeat any one of the weeks until you feel physically ready to move on to the next week. Structure is important for motivation, so try to allocate specific days of the week for your runs and stick to them. Rest days

In weekly planning you can focus on accomplishing specific things by the end of the week and still have a certain amount of flexibility on some days. Even when you focus on a week in your planning, you will still have specific tasks for specific days and you will still have a to-do list for each day.
