The Westsail 32 was a production fiberglass sailboat built between the years of 1971 and 1980. Approximately 830 were built, about half of them in kit form. The "W32", as they are often referred to, was very heavily built and has taken many people on trouble-free voyages and several circumnavigations.

finishes and craftsmanship. Her traditional lines and Cutter Rig continue to make her a sought after sailing classic. The extensive use of Oak highlight the interior, while bronze port lights, winches and fiberglass decks with Teak Treadmaster ...

~~1976 Westsail 32 Cutter for sale — YachtWorld~~

The Westsail 32 started out life as a flush-deck Kendall 32 when Larry Kendall approached Crealock to design a heavy displacement offshore sailboat along the lines of William Aitken's famous 32 foot double enders Eric and Thistle. It's said when asked how big the market for such a boat, Crealock estimated 10-12 boats.
