Sachs, Steven G. Mandis uncovers the forces behind what he calls Goldman's "organizational drift." Drawing from his firsthand experience; sociological research; analysis of SEC, congressional, and other filings; and a wide array of interviews with former clients, detractors, and current and former partners, Mandis uncovers the pressures that forced Goldman to slowly drift away from the very principles on which its reputation was built.

Goldman Sachs is preparing to bring in new members to Wall Street's most exclusive club. The bank's newly anointed partners – a throwback to its years as a private company – will be thrust into the upper echelons of the banking giant when it unveils the promotions on 12 November. Since David Solomon took over as Goldman's chief executive in 2018, the partner pool has been dwindling.
