Most of us can expect to live longer than our parents, and much longer than our grandparents. But for some people getting older has a negative outlook as it seems longevity comes at a cost. Many older people are isolated, get depressed, suffer mental and physical ill health, are beset by worries about money, and feel lost in a swiftly changing environment.It doesn't have to be that way. Louise ...

A: Ahh, yes, an age-old question (excuse my pun). First, realize that your beliefs and thoughts on any subject will predict the outcome for you. If you believe that 50 is old, then that is what you will communicate visually, verbally, and in your body language.

What's Age Got to Do with It?

If age does have something to do with it, I believe it is the wisdom, excitement, and true happiness it brings us each and every day. There are a number of great quotes about age, but the one I like best is by Bernard Baruch: "To me, old age is always about 15 years older than I am." And I can't pass this up...Mark Twain had a good one with:

What's Age Got to do With It?

"Some 74% of women who had intercourse before age 14 and 60% of those who had sex before age 15 report having had sex involuntarily," as do 40% of those who had sex by 15, and 25% by 16 also reported, the Guttmacher Institute said. "Sex among young adolescents is often involuntary; it frequently involves a man who is substantially older than the woman, which may make it hard for the young woman to resist his approaches and even more difficult for her to insist that contraceptives be used to ...
