"Where There is No Dentist" provides detailed and well-illustrated information on using dental equipment, placing fillings, and removing teeth, as well as methods for teaching hygiene and nutrition. The book was developed as a

# Access Free Where There Is No Dentist

companion volume to "Where There is No Doctor", and encourages people to care for their own teeth and prevent tooth and gum problems in their communities.

~~Where There is No  
Dentist: Amazon.co.uk:

Where There Is No  
Dentist is here to fill a  
need. To many people,

# Access Free Where There Is No Dentist

it has seemed that the existing books about dental care were either too incomplete or too complicated. If this book fills that need, it is only because a number of people worked hard to make it happen. To them I owe my sincere thanks.

Where There Is No Dentist is a companion volume to the village health care handbook, Where There Is No Doctor Together, the books encourage people to take the lead in caring for their own health.

This approach to health care implies respect for the dignity of all persons, as well as
