## WORKFORCE PLANNING PRACTICE - CIPD

Workforce Planning The most common definition of workforce planning (WFP) is "having the right people, in the right place, with the right capabilities at the right time". The key principles of WFP are about: Identifying future business directions and workforce needs

## Workforce Planning - AHRI

Workforce planning is critical for the health and growth of any organization. As an HR professional, you know how much of an undertaking it is to hire the right people with the right skill set at the right time. Then add on the responsibilities of budgeting for new hires and internal promotions, keeping current employees engaged and retention rates high, all while growing a business — it's overwhelming.
