As such, when writing a thesis, it is important to establish the main goal of the paper - and not just the general idea of the paper. Thesis papers are all about the thesis writer. It's not enough for a thesis to be supported by the research; it also needs to be supported by the reader, especially if it

When writing a report, your aim should be to be absolutely clear. Above all, it should be easy to read and understand, even to someone with little knowledge of the subject area. You should therefore aim for crisp, precise text, using plain English, and shorter words rather than longer, with short sentences.
